RE: Practice Catchment Area - Consultation

Due to the Newhall development and the impending development of Gilden Way the Practice is considering amending the Practice Catchment area. The change to the catchment area will not affect existing patients who are currently registered with the Practice. Please see the existing and proposed areas. This will come into effect from 1st August 2017

The Current area is:

The proposed area is:

If you have any comments relating to this alteration please provide feedback in writing to the Practice with your comments.
